

# Korsisaari is looking for taxi drivers

Korsisaari is a solid family-owned transportation company in the fields of public transport, charter bus services, and taxi services.

We are currently seeking taxi-drivers to the Helsinki metropolitan area, Central Uusimaa and Western Uusimaa. Our offices are located in Helsinki, Nurmijärvi, Tuusula, Lohja and Vihti.

You can be a professional taxi driver or motivated to study.

## About the role

Your work is shift work collecting customers, driving them to their destinations, and processing payments. Your job is customer service that includes riding taxi for people with special needs.

## Requirements

- good customer service skills
- reliable and punctual personality
- the basics of Finnish language
- you have had a category B-driving license issued in Finland or in another EU/EEA country for at least one year
- knowing the local area where you'll become employed
- meeting the health and other requirements set by Traficom

## It's an advantage if you have

- experience in working as a taxi driver
- the taxi driver license issued by Traficom
- Lähitaksi's or Taksi Helsinki's professional driver's license
- a car of your own in use for commuting

## What we can offer you

- competitive wages
- opportunity for training to become a licensed taxi driver
- the support of the professional team of colleagues, managers, and the service centers.
- support in Finnish language studies
- help in acquiring an apartment
- comprehensive occupational health care

Our mission is to provide excellent customer service. Our goal also is to conduct our business as environmentally friendly as possible.-
